Missing step...
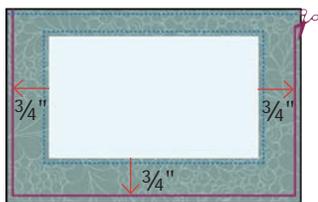

Step 4 - Name Tag

1. ...

6. **On the side where the vinyl was trimmed to ½" width, fold the fabric down twice about a ¼", keeping the vinyl under the fold, sealing the raw edges where the name tag will slide in. On the right side, stitch the fold** down with an ⅛" seam allowance.

MISSING STEP:

With the sewn vinyl piece right side up, cut the excess fabric on the sides and bottom about ¾" out from the edge of the vinyl window so it measures 4½" wide x 3½" high.

7. Sandwich the vinyl...
